CORPORATION OF THE COUNTY OF PETERBOROUGH

BY-LAW NO. 2007 – 55

A BY-LAW TO REGULATE THE PLACING, ERECTING OR ALTERING OF SIGNS UPON OR ADJACENT TO COUNTY ROADS.

WHEREAS the Municipal Act, 2001, c. 25, s. 59 (as amended) provides that an upper-tier municipality may prohibit or regulate the placing or erecting of any sign, notice or advertising device within 400 metres of any limit of an upper-tier highway;

AND WHEREAS the Council of the Corporation of the County of Peterborough deems it advisable to pass this By-law to regulate the placing, erecting or altering of signs upon or adjacent to county roads;

NOW THEREFORE the Council of the Corporation of the County of Peterborough hereby enacts as follows:

SECTION 1 – PURPOSE AND TITLE

1.1 The primary purpose of the County Road system is to carry traffic between destinations points within the County. County Roads are therefore typically designed to accommodate large volumes of traffic travelling at normal highway speeds of 80 km per hour. Motorist safety is therefore a prime concern.

Peterborough County also prides itself on its pristine natural beauty and recognizes that the preservation of this natural beauty is important to the economic health and vitality of the County. Preservation of the natural beauty of our County is also a prime concern.

These two sectors of our economy rely heavily on outdoor advertising to attract and direct customers to their place of business. The County agrees that outdoor signage is necessary to ensure the health of our businesses.

The purpose of this by-law is to provide a set of guidelines and regulations to control outdoor signs. The by-law attempts to balance the three areas of concern expressed in the preceding paragraphs in order that all interests within the County can be best served.
