

How To: Access to Council Meetings Through Live Streaming on YouTube

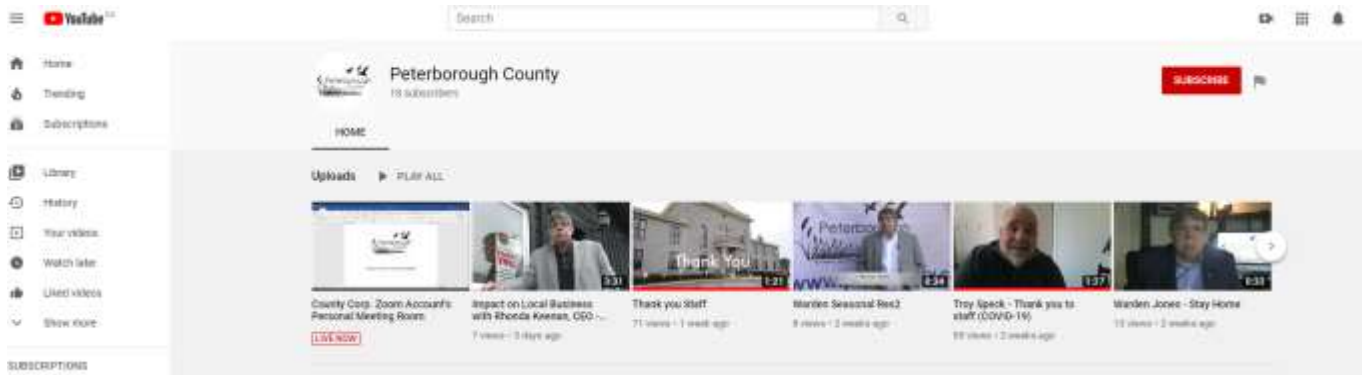

Streaming of Council meetings on YouTube can be delayed. If tuning in right at 9:30 a.m. you may have to go in and out of the YouTube page a couple of times. It is suggested to join the live stream 5 minutes after the meeting is expected to start.

1. Go to the County of Peterborough Website www.ptbocounty.ca/
2. On the County's homepage, click the YouTube Channel button in the type right corner (red icon with white play symbol in the middle).

YouTube Channel Button

This will take you to the Peterborough County YouTube page.

3. Look for the video that says **Live Now**.

How To: Access to Council Meetings Through Live Streaming on YouTube

4. Click on the live video and it will play.

Please note that the image below is just an example of what the video will look like. The video image displayed could also be a gallery view of multiple County Councillors, or a message stating Council is currently in recess.
