

County of Peterborough Severance Proposal Form

Please complete this form with as much detail as possible and provide a rough sketch of what you intend. Completion of this form will help County Staff prepare a Severance Review. It does not cost you anything to have a Severance Review prepared. The Review is intended to help the applicant before they file a formal application with the Land Division Committee. The review will determine proposal conformity to the County Official Plan, Local Official Plan and Local Zoning By-Law. The review also provides a list of agencies you should contact before you file an application.

1. Name of Owner(s): _____
Address: _____
Postal Code: _____ Home Telephone: _____
Work Telephone: _____ Email: _____

2. Name of Owner's agent/solicitor or interested purchaser: _____
Address: _____

"Severed" Lot: Provincial Highway , County Road , Municipal Road - maintained year round , Municipal Road - seasonally maintained , Right-of-Way , Water , Other _____

"Retained" Lot: Provincial Highway , County Road , Municipal Road - maintained year round , Municipal Road-seasonally maintained , Right-of-Way , Water , Other _____

If proposed access to the subject land is by **water only**, state the parking and docking facilities to be used and the approximate distances of these facilities from the subject land and the nearest public road: _____

11. Agricultural Severances:

Is the severance for:

A new farm parcel (40 hectares (98.8 acres) or larger)?.....

A new commercial / industrial lot for agriculture-related uses?

A lot to dispose of a residence surplus to the farm operation?.....
(must have 2 houses to be eligible)

12. Please provide any further information that might be useful in preparing the review: _____

13. Please attach a rough sketch, survey, or plan, etc. of the property that will indicate the following:

- Clearly indicate the **Severed** parcel and the **Retained** parcel
- Lot frontage and area dimensions of the Severed and Retained parcels
- Name of the road(s) and/or waterbody the property fronts on
- Indicate the presence of any structures on the Severed and Retained parcels
- Existing uses on the Severed and Retained parcels
- If the severance is for a lot addition, please clearly indicate the lands the Severed parcel will be added to.
- Location of any livestock facilities within 1000m (3281ft) this will also require the submission of an MDS DATA SHEET form that is attached
- Location of any previous severances from the property

Once complete, please send by email, fax, mail or drop off to:

Peterborough County Planning Department, 743-0380

Email: planning@ptbocounty.ca

Fax: 705-876-1730

Mail: Peterborough County Planning Department

County Courthouse

470 Water St.

Peterborough, ON

K9H 3M3

Drop Off: We are located on Water Street, between Brock and Murray Streets, on top of the hill overlooking Victoria Park.

MANURE STORAGE TYPES

Please identify the type of manure storage that is used on the property where the subject livestock facility is located, and enter the corresponding code (for example 'V3' or 'M') in the appropriate space on the previous page.

Important: If there is no manure storage located on the property (e.g. manure is moved to a location off-site) or if the manure is stored for less than 14 days, please indicate this on the 'MDS Data Sheet'.

Solid Manure

Code	Description
V1	Solid manure bedded pack; manure accumulates under livestock
V2	Solid manure pile, stored outside and covered
V3	Solid manure pile, stored outside uncovered
V4	Solid manure pile, stored outside with covered liquid runoff storage
L1	Solid, uncovered manure pile stored outside with uncovered liquid runoff storage

Liquid Manure

Code	Description
V5	Liquid manure stored inside underneath slatted floor
V6	Liquid manure stored outside with a permanent, tight fitting cover (e.g. concrete lid)
L2	Liquid manure stored outside with a permanent floating cover (e.g. tarps, foam panels)
M	Liquid manure stored outside in concrete or steel tanks
H1	Liquid manure stored outside in earth-sided pit
