

**Notice of Study Commencement
County of Peterborough
Class Environmental Assessment
for the Baxter Creek Bridge**

The Project

HP Engineering has been retained by the County of Peterborough to complete preliminary and detailed design activities and to undertake a Class Environmental Assessment (EA) Study for the Baxter Creek Bridge, located on County Road 28, approximately 0.2 km south of Larmer Line, in the Township of Cavan Monaghan (refer to key map).

The Process

The Class Environmental Assessment study will follow the planning and design process for Schedule 'A' projects as described in the Municipal Class Environmental Assessment Document (October 2000 as amended in 2007, 2011 & 2015), published by the Municipal Engineer's Association. The study will include a review of structure rehabilitation and replacement alternatives and associated potential impacts on the study area environment. Subject to the receipt of necessary approvals, the County of Peterborough intends to proceed with the planning, design, and construction of this project.
