

Notice of Project Commencement

The Project:

The County of Peterborough (County) together with their Consultant, D. M. Wills Associates Ltd. (Wills), is undertaking a Municipal Class Environmental Assessment (EA) to complete the rehabilitation of County Road 504 from Jack Lake Road for approximately 700 metres to the East. The rehabilitation shall include a review of the roadside safety within the project limits. The study area is generally outlined in Figure 1.

Figure 1

The Process:

This study is being conducted in accordance with the requirements of a Schedule A+ of the Municipal Engineers Association (MEA) document, Municipal Class Environmental Assessment, October 2000, as amended in 2007. Schedule A+ projects are pre-approved, however, the public is to be advised prior to project implementation.

Public Consultation:

Throughout the study, the County and Wills shall consult with the required agencies and advise members of the community of the project plans.

Members of the project team (contact details provided below) are available to answer questions regarding the project. If you would like to be added to the project mailing list please contact the Project Manager identified below.

Questions or comments should be forwarded on or before Friday November 2nd to the Project Manager(s) below:
