**Re: Causeway Class Environmental Assessment Report**

At its meeting held the 28<sup>th</sup> day of May, 2013, the Council of Selwyn passed the following resolutions:

**Resolution No. 2013 - 116 - Causeway Class Environmental Assessment Report**

Deputy Mayor Andy Mitchell – Councillor Sherry Senis -

That report of the Manager of Building and Planning regarding the Causeway Class Environmental Assessment (EA) report be received for information; and

That the County of Peterborough be advised that the Township of Selwyn endorses, in principal, the recommended plan as detailed in the Class Environmental Assessment report amended to reflect the commitments made during a May 15, 2013 meeting with area land owners as detailed in the notes of that meeting as well as the subsequent engineering notes supplied in response, and subject to:

- 1) the development of an acceptable engineering design;
- 2) approval of specific budget requirements for Township responsibilities as it relates to the project; and
- 3) the County of Peterborough undertaking a complementary process to the EA study to evaluate the economic impact of the proposed project on affected property owners consistent with commitments in meeting notes 4.2 and 4.21.

Carried.

**Resolution No. 2013 - 117 - Gifford Causeway Scope of Work**

Deputy Mayor Andy Mitchell – Councillor Anita Locke –

That prior to the commencement of the detailed engineering design of the Gifford Causeway project, the Scope of Work and cost sharing as it relates to County and Township responsibilities be confirmed. Carried.

Council and Staff would like to take this opportunity to pass along thanks to Bytown Engineering for all of their hard work related to the Environmental Assessment for the Gifford Causeway Study. Please express our sincerest thanks to Bytown Engineering for the time and effort they have put into this project, it is greatly appreciated.

If you have any questions, please do not hesitate to contact Angela Chittick, Clerk, at the Municipal office at 705-292-9507.
