

**Public Information Centre No. 2
County of Peterborough
Class Environmental Assessment
for the Replacement of the
Westwood Bridge**

The Project

HP Engineering has been retained by the County of Peterborough to complete preliminary and detailed design activities and to undertake a Class Environmental Assessment (EA) Study for the replacement of the Westwood Bridge, located on Centre Line, approximately 0.7 km east of County Road 38, in the Township of Asphodel-Norwood (refer to key map).

The Process

The Class Environmental Assessment study will follow the planning and design process for Schedule 'A+' projects as described in the Municipal Class Environmental Assessment Document (October 2000 as amended in 2007, 2011 & 2015), published by the Municipal Engineer's Association.

Public Information Centres (PICs)

PIC No. 1 was held on Thursday March 7, 2019 and provided information and answered questions regarding the alternative solutions. **PIC No. 2 will be held on Thursday May 30, 2019 from 5:00 pm to 7:00 pm at the Westwood Public Library, 312 Centre Line Westwood, Ontario.** The PIC will consist of a drop-in type format, during which time the applicable study material and display boards will show the preferred solution. Representatives from the Project Team will be on hand to answer individual questions, in a one-on-one format, pertaining to the Project and the Class EA Process. Subject to the receipt of necessary approvals, the County of Peterborough intends to proceed with the planning, design and construction of the replacement of the Westwood Bridge.

You are encouraged to attend PIC No. 2 or review the materials that will be available on-line at www.ptbocounty.ca/construction following the PIC.
